The Division of Disability and Rehabilitative Services (DDRS) is pleased to announce that effective April 12, 2010, Tracy Myszak will join the Bureau of Developmental Disabilities Services (BDDS) as Director of Client Services.

Ms. Myszak began service with the State of Indiana in 1991 working as a child welfare case manager in Elkhart County. Her responsibilities included child abuse/neglect investigations, on-going case management and liaison to the juvenile court. In 2003, Tracy began work in BDDS Central Office as a policy writer and two years later, moved to the Office of Medicaid Policy and Planning (OMPP) Central Office, where she has been serving individuals with disabilities who reside in state and federally regulated group homes and waiver settings, both as a team member as well as supervisor of the unit. Tracy's current responsibilities include work as the OMPP/DDRS liaison, focusing on facilitating communication between the two divisions.

Please take the opportunity to introduce yourself to Tracy and begin including her in appropriate meetings and correspondence. You may contact Tracy by E-mail at Tracy.Myszak@fssa.IN.gov.
